SPIRIT
CAN
DO IT

Spirit is Constant Motion . . .

. . . Constant Emotion

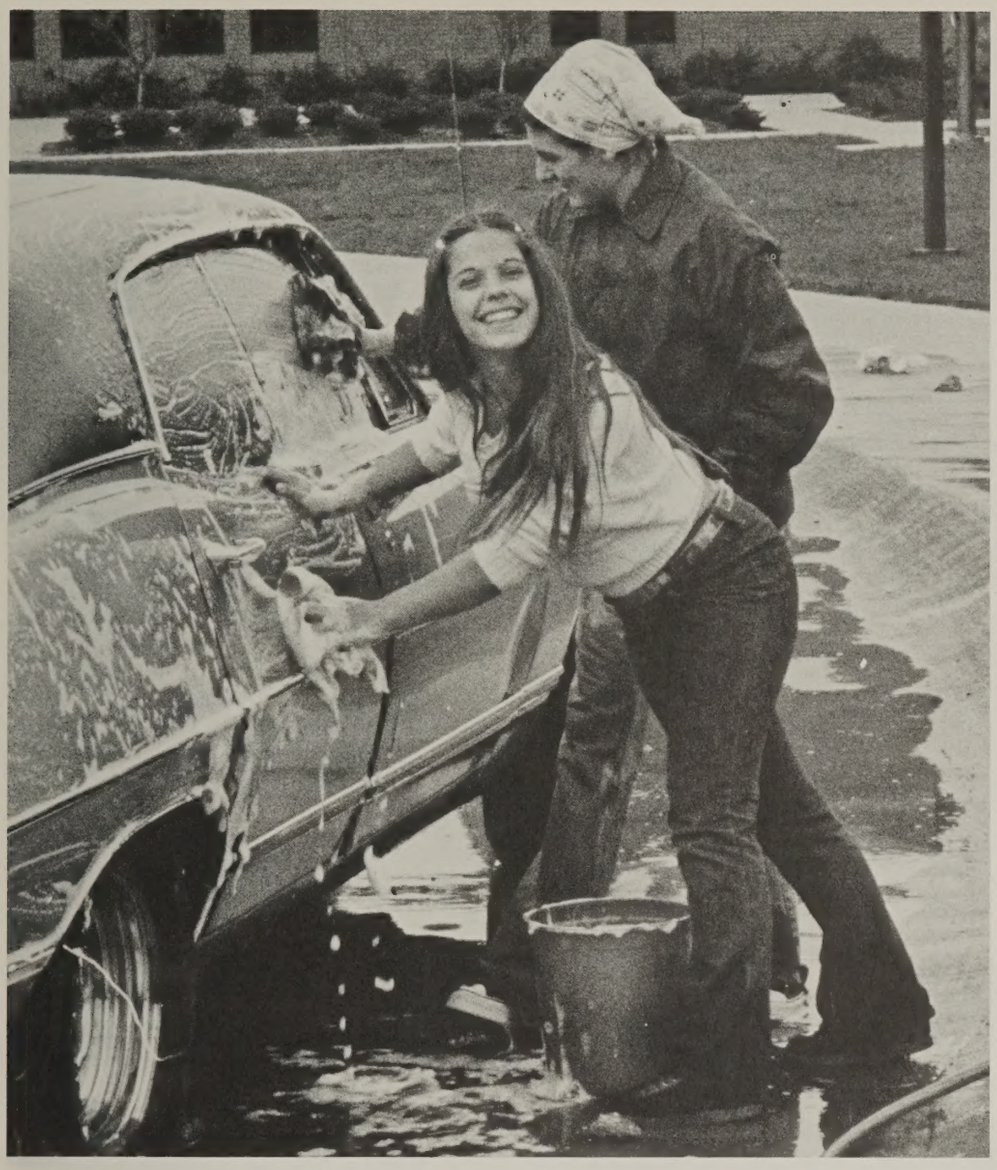

Far left: Kim Alber gets "canned" as Medina's Spirit Bee for football. *Upper middle:* At the first pep assembly of the year, Mr. Hathaway and Mr Murray cordially cooperated by wearing their garbage bags while Cheryl Bell, a junior, got the honor of clobbering Coach Hathaway with a pie – what a spirit contest! *Lower middle:* Students and parents spirited the Bees on at a rainy game against Cloverleaf. *Upper right-hand corner:* Mary Dooley's lunch bag doesn't seem big enough to hide from the camera. *Lower right-hand corner:* August 30 and 31 found many students spending their last few hours of summer vacation making out schedules during open registration.

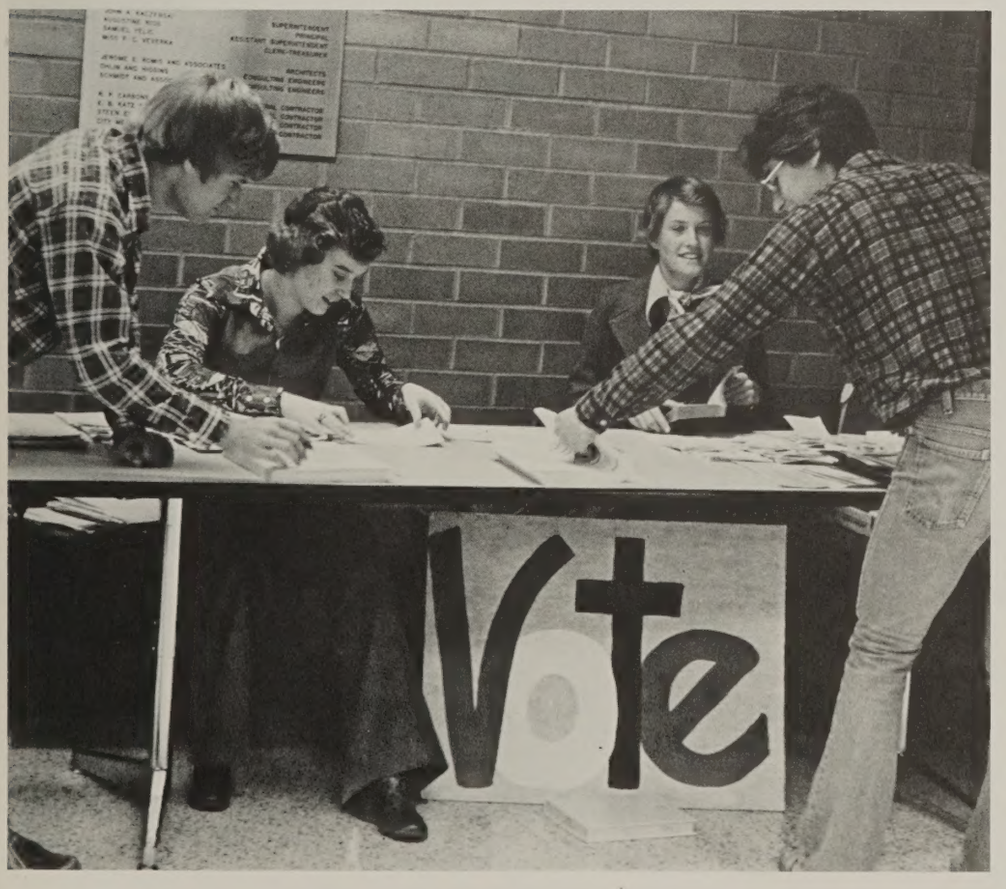

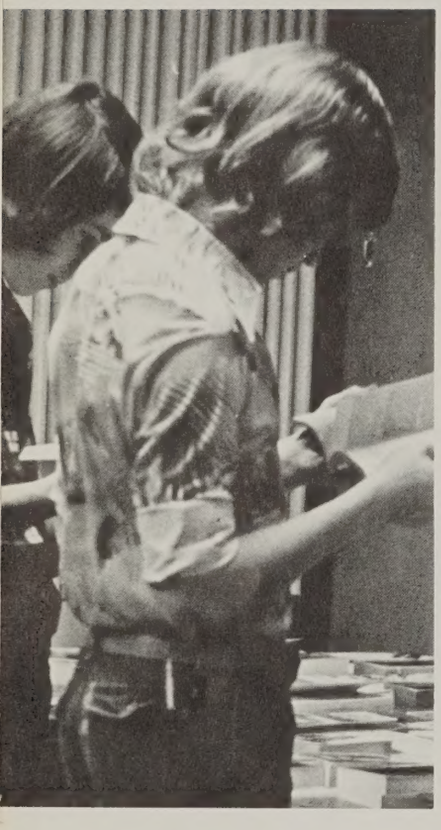

Spirit is Explosive, Exaggerated and Electric

Far left: How about coming up and seeing me sometime, big boy? *Upper middle:* My mother told me mud facials were good for your complexion. *Lower middle:* Patty cake, patty cake, baker's son, make a fat mud pie and throw it on Cathy Easton! *Upper right:* " . . . totally depressing, low down mind messing – working at the car wash blues!" *Lower right:* Vote for the candidate of your choice! Rose, Shann, Dave, and Kris cast their ballot after a "Meet Your Candidates" assembly, held for juniors and seniors. City and State candidates met in the auditorium for a political showdown.

. . . Having or showing Mettle, Courage, Vigor, Liveliness, etc. . . .

Far left: Many students, excused from their English class, bought books at the library's annual book fair held in October. *Upper middle:* The Wicked Witch of the West laughs after her capture of Dorothy, Toto, and friends. *Upper right:* Mr. Paidas celebrates his birthday; Brad Brenner, Mike Schafer, and Jeff Holloway cheer him on, hoping he doesn't run out of breath blowing out those candles! *Lower left:* Tracy Umpleby, Linda Anderson, Kim Kubitz, Debbie Schmith, Cheryl Fortney, Karen Amico, Jill Bryson, and Nancy Robnett participate in a Kung Fu ceremony at a pep assembly for the last football game of the season. *Lower right:* Amy Porter may be smiling now, but she'll look like the man in the background after the Red Cross collects their pint of blood for the Blood Bank. It's all for a worthy cause, Amy!

SENIORS

The End . . .
. . . of the Beginning

Yes, we finally made it to the top! First through split sessions as freshmen because of a lack of space, and then again our Senior year due to the lack of energy; not our energy, but fuel energy. The Great Blizzard closed the schools, but we still maintained our partial sanity.

The four-year struggle was tough, but the tough got going, and the Class of '77 had some great times that we will never forget. We've had winning and losing teams, and our girls basketball team will be long remembered. Math class was boring, but remember how great the bell sounded when it finally rang? And who could forget the many doughnut runs to Buehlers?

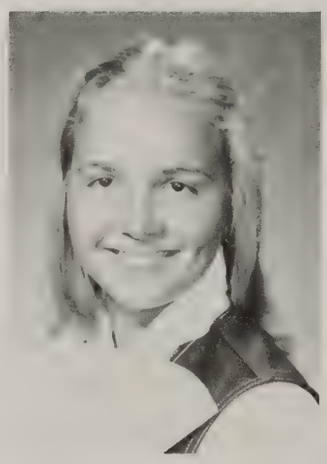

Throughout our four years at Medina, there were always many people backing our class. Mrs. Parman, whom we all owe a great deal to, and our class officers have also done a great job for us. The class officers were Linda Hoffmann, Treasurer; Cheryl Spendlove, Secretary; Dot Klopp, Vice President; and Peggy Polomsky, President. As we walk out the doors of Medina High for the last time, we'll be entering a whole new world of learning, one MHS has tried to prepare us for. Though life changes, we must go with confidence and accept what must be, and not look back at what we have left behind, but rather at what the future holds in store for us.

We May Never Pass This Way Again . . .

"We may never pass this way again," was the theme of the year's biggest event, the 1977 Junior-Senior Prom. The prom, originally scheduled for May 14 at the community center, was May 21 in the gymnasium due to a scheduling conflict. The gym was decorated very nicely by the Junior class with blown up candids of seniors and many exotic plants and statues. The couples were entertained from 9 to midnight by Rapscallion, a group that combined fast and slow tunes for a successful evening. Brett Chronister and Connie Bender were crowned King and Queen of the Senior class. After the prom, many couples changed from their rented tuxes and formals into T-shirts and faded jeans to enjoy the hot night with after-prom activities.

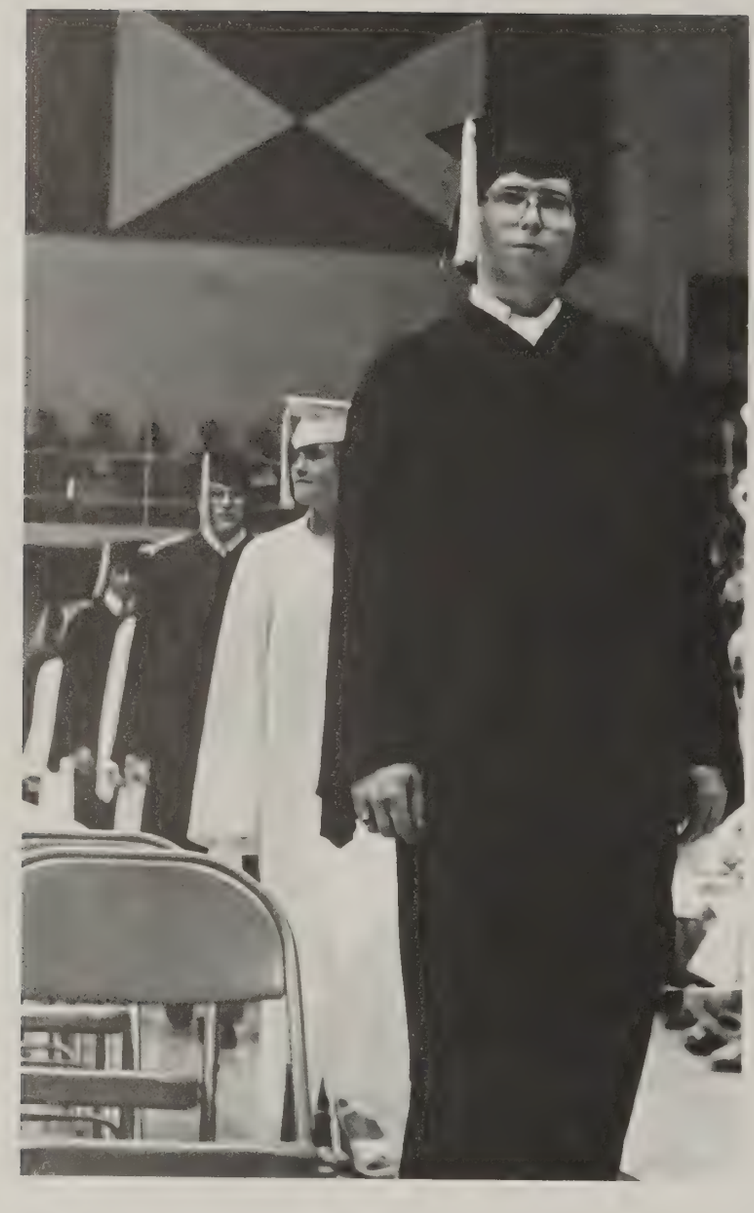

The 1977 Junior-Senior Banquet was held in the decorated cafeteria, which was done in soft pastels to fit the theme, "Somewhere Over the Rainbow." The evening started off with dinner being served by the Sophomore class. The meal was prepared by parents. After dinner, the auditorium was filled for the skit on the Seniors. The orchestra played "Somewhere Over the Rainbow," and Sherry Myers got to sing her long awaited encore from S.P.I.C.E. The program was brought to a close with the presentation of awards to well-deserving seniors.

UNDERCLASS

Juniors

The 1976-77 school year has been pretty busy for most of the Junior class. For Homecoming, the float building was slightly sluggish, but eventually got done when everybody quit watching out for Seniors to egg or whatever. Although the Juniors did not win the float competition, they are planning to be well prepared next year as Seniors. There were many Juniors selling special candles during the Junior Class Candle Sale in the fall. They sold a total of 2,570 candles. They used the money for the Banquet and the Junior-Senior Prom, which they were in charge of. As for finding a building for Prom, there was some difficulty. The only buildings big enough were Chippewa Lake and the Medina County Fairgrounds. The Fairgrounds became available in time for the Prom and preparations were made. Prom was held on the 21st of May and the Banquet on the 20th of May. Rapscallion was the group to which they danced. The OH HENRY candy bar sale took place before Christmas in the Square, but the sale was hampered by the school being closed during the bad weather and gas shortage. The candy bars were then sold during our half-day classes. Junior officers are pictured clockwise: President – Mike Farkas, Vice President – Liz Judkins, Secretary – Jean Gobillot, Treasurer – Debbie Hoffmann.

Sophomores

This year's sophomore class was rather busy. In September, they started with $0 in the treasury, and fixed that only a short time before Homecoming. Because they had to decorate and pay for the decorations, they started in mid-October with two bake sales. And to make sure that they had enough money to cover the cost, they decided to have a car wash. Car washes were held two Saturdays before Homecoming on the coldest, windiest days of the year. It also snowed! The car wash was a success, even though Dave Haddad sprayed Mark Pence with the hose and Mark took off after Dave with a bucket of soapy water. After that, everyone was wet! The theme for Homecoming was "Remember When" and the decorations were taken care of by Sonya Phillips, Diane Talbert, and Gina Nemes, all of whom helped to make the dance a success. In February, the class sold buttons supporting our girls' basketball team — the Mean Green Machine! Jeff Carnes, class president, says: "To sum it up, I feel that we did an excellent job of representing our school and promoting class unity." Pictured at right are President Jeff Carnes, Vice President Donna Warren, Secretary Jill Huddilston, and Treasurer Laura Finley.

Years Begin With Spirit

Freshmen

This year's Freshmen class has been extremely active in their first year in the Senior High School. During Homecoming, the Freshmen class showed their SPIRIT by building a terrific bonfire. In the fall, some of the Freshmen raked leaves and donated the money to the Student Council in order to pay for the Homecoming dance. The class started their treasury with a bake sale and continued the expansion of their treasury by selling candy at the Freshmen football and basketball games. The officers this year are, right to left, President – Denise Schmith, Vice President – Tonya Wharton, Secretary – Wendy Reitzel, and Treasurer – Debbie Hefner. These officers and the following Representatives have helped greatly in promoting the success of this year's Freshmen class. Representatives are as follows: Julie Huddilston, Ann Kirchner, Doug Pelton, Nancy Robnett, and Marty Wible. Quote by President Denise Schmith: "All in all, the class is really great, and I am so glad to be a part of it."

"Remember when" in the quiet little village of Medina, spirit was mounting for the annual Homecoming festivities. Tenseness was felt throughout Medina as preparations were made for the big game. The Juniors and Seniors were not to be found at home during this time. They were off being busy little bees and working on their floats.

As the final weeks before the game approached, sixteen Senior girls were nominated to represent this quaint little village, but only "one" could be queen. The girls were Heidi Albrecht, Karen Amico, Lisa Bednar, Cathy Easton, Karen Eisenhart, Beth Freese, Janice Hosick, Lynn Jackson, Mary Jaeger, Jenny Jodway, Shann Kirkham, Lori Koenig, Barb Phillips, Peggy Polomsky, Cindy Prochaska, and Cheryl

Spendlove.

During the final week of Homecoming, the Senior Class chose four lovely young maidens for the court. They were Cathy Easton, Jenny Jodway, Shann Kirkham, and Barb Phillips. Also during that week, Pep Club decorated the school, the lockers, the stadium, the players' houses, and anything else they could get their hands on. The Junior Class sold bright yellow mums for the occasion and at long last, the finishing touches were put on the floats.

The Junior float, with its old-fashioned car and old-time football player dressed in the early scarlet and grey Medina colors was acceptable, but the Senior float was by far the superior of the two. Dorothy, Toto, the Tin Man, Scarecrow, and the Wicked Witch of the West, all added spirit to the Seniors' winning float. Its gigantic teddy bear and storybook characters were helpful reminders of everyone's childhood. Now, as the Seniors won the float competition, the Juniors consoled themselves by thinking, "Oh well, there's always next year." Senior Class President, Peggy Polomsky accepted the trophy for the winning float. As the evening's events progressed, Shann Kirkham was proclaimed the 1976 Homecoming Queen. The crowd was almost as excited as Shann. The football tri-captains presented Shann with her bouquet and said a few encouraging words about the next night's game. To cap off the evening's events, the freshmen built a bonfire to symbolize the burning of the Westlake Demons

and to warm the villagers as the snow fell.

Friday was restless as the entire school anticipated a good homecoming game. The players talked among themselves while the fans did likewise. They all knew the snow and cold would have an effect on how the game was played, but that it would not determine the outcome. By 7, the candidates and their escorts had arrived at the windy stadium to pin on their corsages and get ready for the annual introduction. They lined up on the visitor's side to march through the "M" the band had formed on the field. As the band played "If," the candidates and escorts walked between the "M" formation and lined up on the home side to await the crowning of the beautiful queen, Shann Kirkham. The previous year's queen,

the stunning Liz Kuehn, was announced as she and her escort came across the field. Liz then crowned the beautiful Shann. Medina High School now had the devastating Shann Kirkhan as their 1976 Homecoming queen.

Shann and her court, Cathy, Jenny, and Barb, sat on the sidelines cheering for their team. Their cheering inspired the Bees and kept the Westlake game close. Ken Alber, the quarterback, was injured and Mitch Lehman finished the game. Though the Bees played one of their best games, they lost to a tougher Westlake team by a score of 14-6. The floats were pulled off into the sunset, never to be seen again, but Saturday night was yet to come.

Saturday found the entire school magnificently decorated by the sophomore class. The lovely young maidens and their handsome escorts began arriving at the stroke of eight. The band, Backseat Romance, played long and loud. After what seemed like an eternity, the queen arrived. She was crowned and received her crown graciously. Shann and her escort, Dave Haarmeyer, danced the annual Queen's Dance, and all who attended agreed that Shann represented the school and community perfectly. She was the "one."

On Sunday, the quiet little village of Medina was quiet once again, and everyone lived happily ever after. "Remember when . . . "?

The year of spirit

Spirit is explosive,
exaggerated,
and electric.

Spirit is creative,
constructive,
and continuous.

Spirit is concentrated.

Still spirit is expanding,

but perhaps most of all . . . Spirit is life.

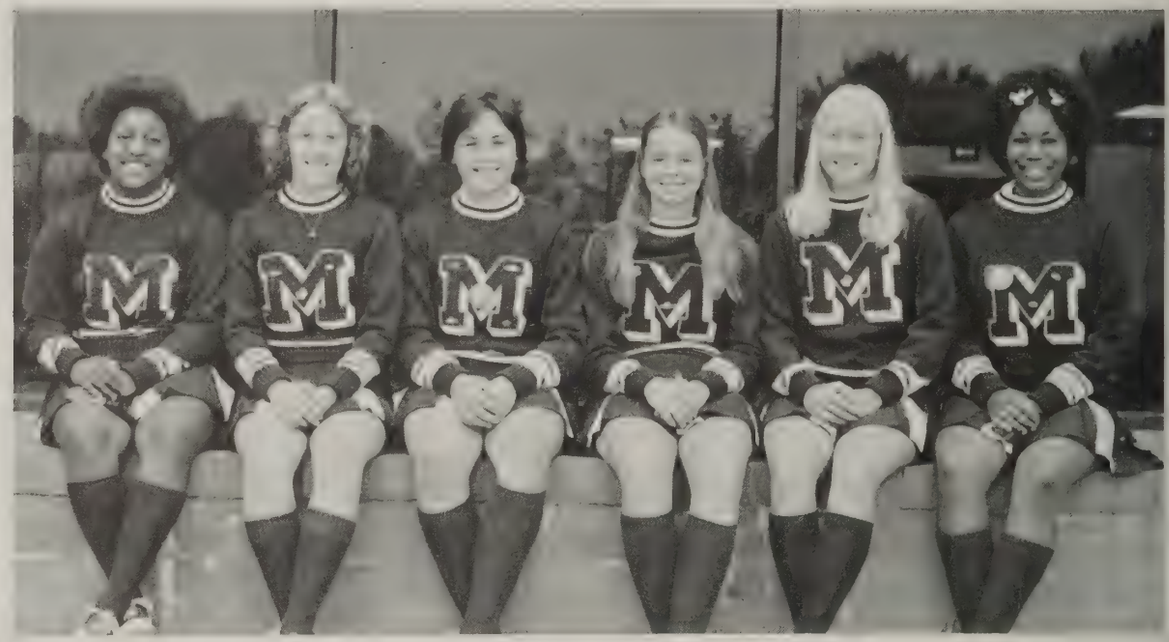

Cheerleaders Keep The Spirit High

The cheerleaders went to Oxford over the summer, where they attended the annual NCA Cheerleading Camp. They won four ribbons for superior performances and were rated one of the top six squads attending. They also won a megaphone for being the most spirited squad there. The cheerleaders' many pep rallies kept the Battling Bees' spirit high throughout the season.

Spirit Cheers

We've got spirit

So let's hear it

S-P-I-R-I-T; S-P-I-R-I-T; S-P-I-R-I-T

We've got that SPIRIT!

We've got Spirit, yes we do,

We've got spirit, how 'bout you!

The Medina football team was a young and growing group of enthusiastic boys who worked hard every week. With conditioning starting in July and official practice starting in August, along with grueling two-a-days, the team got their spirits quite high for the season. Though the record does not show it, Medina had many close games and played exceptionally well against SWC Powers Avon Lake and Bay. Medina's final record was only 2-8, but Olmsted Falls and Ashland, along with Bay and Avon Lake, will always remember how tough the Bees really were.

Pep Club Boosts Bees

Bees are historic, cause we got Lorek.

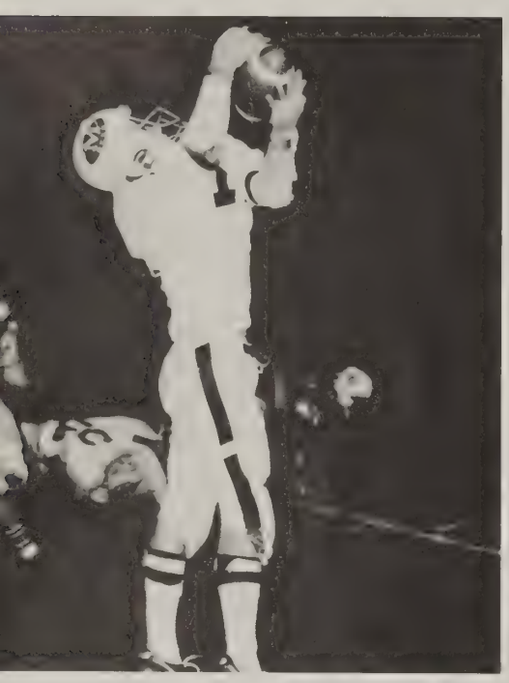

Varsity Football Shows Spirit

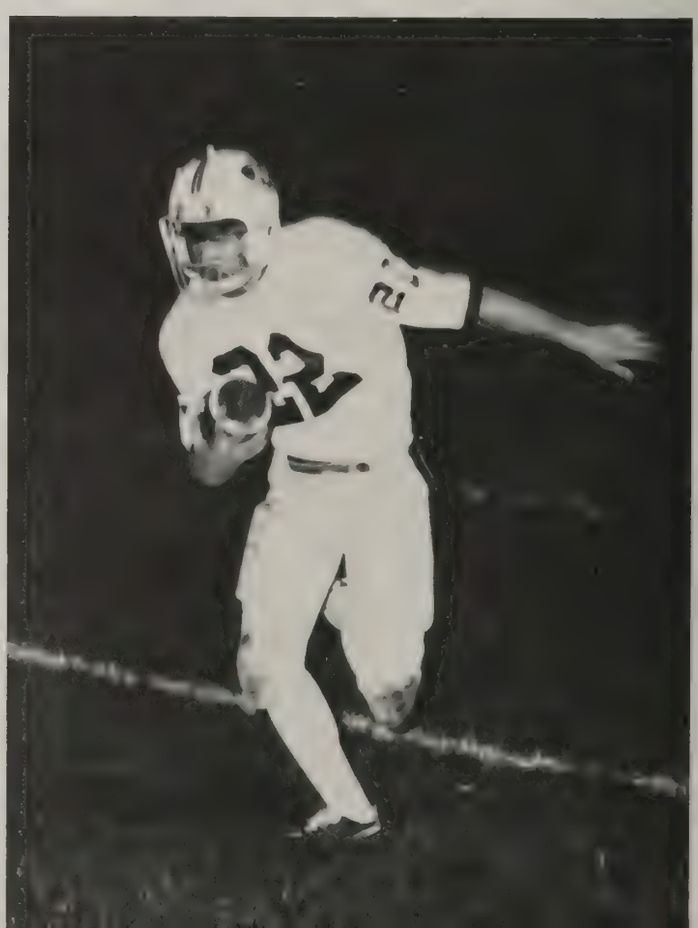

Always playing their best, the football team took their tough losses in stride. They always put the loss off and worked extra hard for the following game. The practices always found the spirit quite high as the team prepared. New plays, old plays, and trick plays were attempted and they usually worked, but their always seemed to be something missing. One week the passing would be fantastic, but the penalties would nullify the gains. Every week, the team overcame their previous mistakes and they would usually not happen again. The work paid off as the Medina Varsity Battling Bees won their final game with confidence in themselves and pride in their school.

Junior Varsity Has Winning Season

Medina's Junior Varsity Battling Bees had an exceptionally good season. Their quarterbacks, Brian Grider and Mitch Lehman, worked together as a team to push them to a winning record. They played mostly Saturday morning games with two Saturday night games and one Monday afternoon game. The Junior Varsity team had a final record of 6 wins, 2 losses, and 1 tie.

Spirited Frosh Have Winning Season

The Mighty Frosh did not start their season too mighty. After a humiliating loss to the Olmsted Falls Bulldogs, they had a scoreless tie with Rocky River. The Frosh, after those two shutouts, proceeded to win four games straight, including fierce rival, Bay Village, only to lose the season finale in a squeaker to Avon Lake Troy. Their final record was a superb 4-2-1.

Queen Bees Go Undefeated

Energetic and desiring victories, Medina's 1976 Powder Puff team practiced vigorously almost six weeks before the home opener against Buckeye High. They practiced another two weeks before they had Homecoming against the Cloverleaf Fillies. The Homecoming king was Kelly Green, the beautiful cheerleader who cheered his team on to their two victories. Against Buckeye, the Bees dominated the entire game. Buckeye played dirty football, but our Lady Bees showed them how to win with pride. The Cloverleaf girls played at Medina's Homecoming and played a good game; but could not overcome Medina's spunky Bees as the Bees showed who was Best! The Powder Puff team drew quite a few fans. They filled the home side against Cloverleaf and had a good crowd at the Buckeye game. The Pep Band, cheerleaders, and fans helped the Queen Bees to beat Buckeye and Cloverleaf.

The 1976 edition of the Cross Country team was greatly improved over last year's and has high hopes for the future. They had many extremely close meets and finished with a 6-7 record.

The golf team had a record of 6 wins and 13 losses. They played all of their home matches at Wedgewood Country Club. The Junior Varsity team was 8-1. Look forward to having an even better team next year!

Lady Netters Rally to Best Season Ever

Mr. Kelly coached the girls tennis team this year and Medina again had another good season. The Medina Netters' spirit led them to consecutive wins in September. In October, they lost a few in a row and thought they'd never win again. But they did and finished the season with a 9-9 record. There also was a special treat this year as Lori Koenig and Shann Kirkham participated in the State tennis tournament at Columbus. Even though they lost a close match, their spirit and enthusiasm remained as high as it was when they won sectionals and districts. Look for another good team next year at Medina.

Volleyball Shows Team Spirit

Jeanne Pritchard, a first year coach, coached the girls volleyball team in a rebuilding year. They started out with a winning streak and finally finished in the middle of the Southwestern Conference. Medina played its best game ever in the first sectional game against seeded Lorain Admiral King. They beat the Admirals and went down to defeat in three close sets against SWC rival Avon Lake in Medina's gymnasium. The captains of this spectacular team were Seniors Lynn Jackson and Sue Thornburg.

Queen Bees Sparkle In Another Spectacular Season

Who could ever imagine a girls basketball team could be so good!

The season started in December as the "Mean Green Machine" demolished West Tech 83-38 and Canton McKinley 74-34. They proceeded to destroy, as the Queen Bees won a Christmas tourney in Parma against Parma Senior and Normandy. January brought an inexperienced Cloverleaf team to Medina as the Bees scored a record high of 98 to beat the Colts 98-23. The snow and cold weather shut down the school and Queen Bees for four weeks, but when they emerged, they were ranked #2 in the State AAA UPI Coaches ratings. They then beat three SWC schools before a SWC showdown with Bay Village.

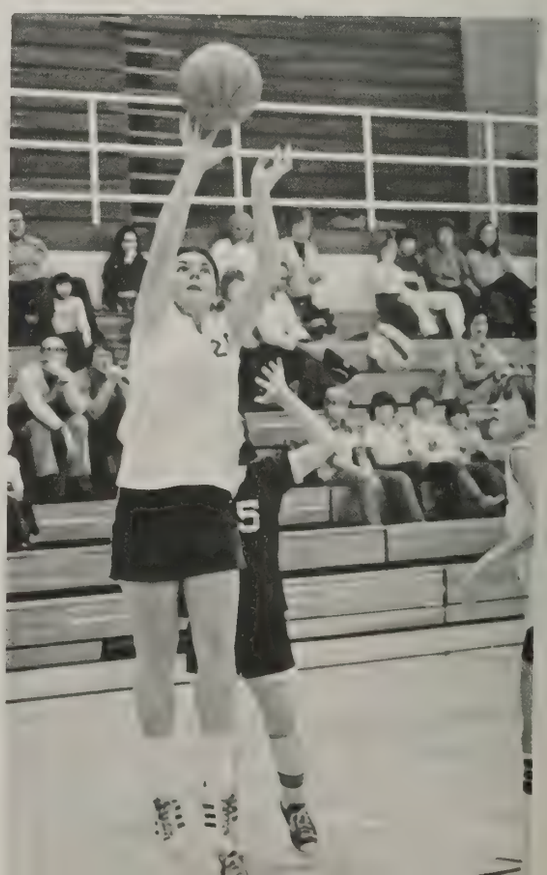

A record crowd of 1,345 screaming Medinians encouraged the girls to a 68-58 victory. The Mighty Bees continued winning and another record crowd viewed the demolishing of Akron St. Vincent-Mary as Lori Koenig scored 34 points. Three days later, they wrapped up the SWC over Rocky River and were on their way to Valley Forge for Sectional and District championships. While at Forge, they beat Parma Senior 73-28, Brecksville S6-23, Normandy 74-51, and Lincoln West 69-50.

The next step towards Columbus was the Regionals, which was held at Sandusky High. The "Mean Green Machine" T-shirts packed the gym to see Medina beat the Shelby Whip-

pets 42-31. About 1,700 Medinians watched the Mighty Bees fight against Toledo Central Catholic cheering "We're #1!" to no avail as the officiating, the worst Medina had ever faced, helped the Irish end Medina's season at 20 wins and 1 loss.

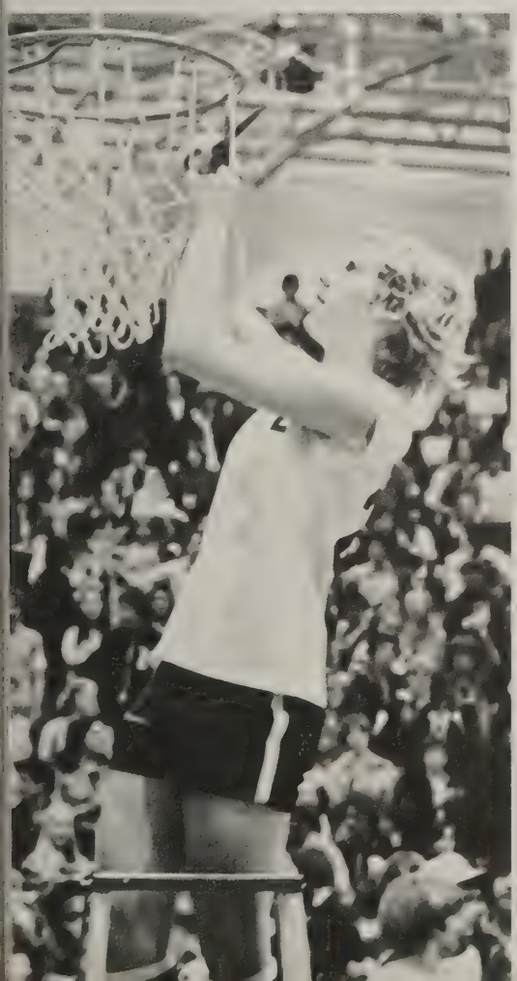

Besides #2 ranking in the State throughout the season, the Mean Green Machine had many other accomplishments. They posted the second perfect regular season in modern school history, won back-to-back SWC, Sectional, and District championships. They were the first County and AAA team to reach the regional finals for two consecutive seasons. They were also the only team in Ohio to place four players on the All-Ohio AAA girls team. Lori Koenig was named to the second team, Kim Alber to the special mention list, and Sherry Myers and Lisa Fitch to the honorable mention list. Sherry Myers also made SVC Player of the Year, in addition to the Cleveland Press #1 Dream Team. Sherry, Lisa, Kim, and Lori also made the SWC All-Stars while Lynn Jackson made honorable mention.

A banquet held in April in honor of the girls showed how the entire school and community were proud of them, and their efforts will long be remembered.

Varsity Basketball Team Shows Spirit

Although the basketball team had a losing season, the team showed plenty of spirit throughout the season. The highlight was a 60-55 victory over Olmsted Falls in the last seconds of the game. In practice, they were kept in shape by Coach Al Darner, who was just as disappointed as the boys were with the season. The Battling Bees' final record was 4 wins and 15 losses. The experience gained throughout the season will be a postivie factor for next year's team. The Bees lost their first game in the sectionals to Rocky River. With only three Seniors leaving, the Medina team has high hopes for future teams.

The pride of the team was in Brad Brenner and Mike Schafer, who were awarded All-SWC Honorable Mentions. The team practiced long hours throughout the energy crunch. Jeff Inman, a freshman, moved up to Varsity at the beginning of the season. When the freshman schedule was cancelled, the freshmen team moved up to J.V. and a few played regularly. Mike Schafer was picked as the Most Valuable Player at the Basketball Awards Banquet on Monday, March 14. Also at the Banquet, the co-captains received plaques.

JV Cagers Suffer Through Energy Crises

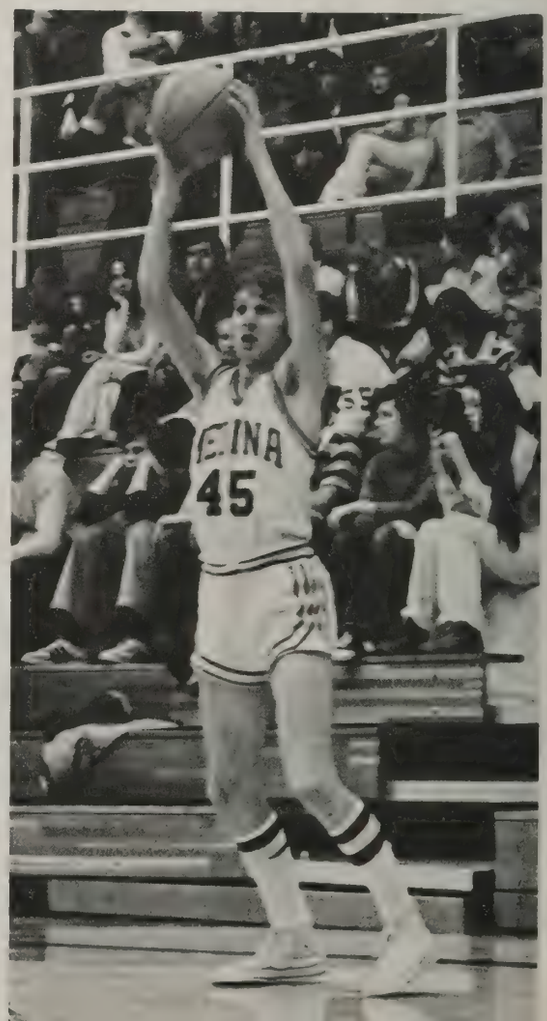

Winning wasn't the name of the game in Medina this year. The Junior Varsity's plan was to play everybody, and everybody played. Medina's first few losses were all by one or two points and the victories just the same. Then there was a winning streak interrupted by snow and the gas shortage. About eighteen days without a game could slow down any team, but they came back fighting. Since the freshmen season was cancelled, a few of them played on Junior Varsity and they did rather well. One of the highlights of the year was the overtime victory in our gym. The Junior Varsity team finished the season with a 5-12 record with high hopes for next year.

Frosh Roundballers Get Season Cut Short

Though the Freshmen basketball team's season ended early, they had quite a good season. They started off slowly losing their first two games, and won their next four before losing one. They returned by winning their last game before their season was cancelled. Energy crisis stopped the team from playing their exciting game, but many frosh players moved up to JV. The team had to make a lot of changes when they lost a starter from last year's team who moved to Akron. Also, another good player was moved up to Varsity. Overall, the Freshmen Bees had a good season and they have many more to come.

Wrestlers Show Promise and Determination

Although the wrestlers had a losing season, they seem to have a future with only four Seniors leaving the team. The team, for the most part, was young. Their final record was four wins and seven losses. The wrestlers had a disappointment when Tim Collins broke his hand in the last dual meet before sectionals. The pride of the Bee grapplers was Jerry Lee, who pinned his way through sectionals and districts and then went on to the State tournament in Columbus. At State, Jerry pinned his first opponent then beat his next opponent 10-2;

Jerry Lee Wins State Title

then in the semi-finals, he came back with another pin. In the finals, Jerry won with an impressive score of 13-4. Jerry was the first Medina wrestler ever to win a State championship. Jerry's personal record for the year was 30 wins and 0 losses. Out of those 30 wins, 22 of them were by pins. Jerry was honored by both the Mayor of Medina, August Eble, and by an assembly on March 16. The *Medinian* staff would like to congratulate Jerry on his State championship and wish the future teams good luck!

Gymnastics Team Has Winning Season

Medina Girls Gymnastics team finished its third season as a varsity sport with a 10-4 county record. Conference record, using the league scoring system, was 3-5, while based on the National scoring system was 7-1, with Bay handing Medina its only loss. Best performance scores earned this season were Margot Rademacher on the bars with an 8.6, Karen O'Donnell on beam with a score of 8.1, Margot Rademacher on floor exercise with a score of 8.2, and Janice Basko on the vault

with a score of 8.1. Two girls represented Medina at sectionals at North Olmsted. Working advanced beam were Sherry Lewis and Karen O'Donnell. Karen placed seventh with a combined score of 13.26 and qualified for districts. A promising season is in store for Medina next year as the team has 13 returning letter "girls" and no graduating Seniors to provide a solid base for the "Tumble Bees."

Rain postponed many of the tennis team's first few matches but those rainouts were rescheduled and they came back to win over 20 matches and set a school record. The Battling Bees had over 25 on the team which provided a huge nucleus for all the matches. With only 6 seniors, the tennis team should be ever more experienced next year.

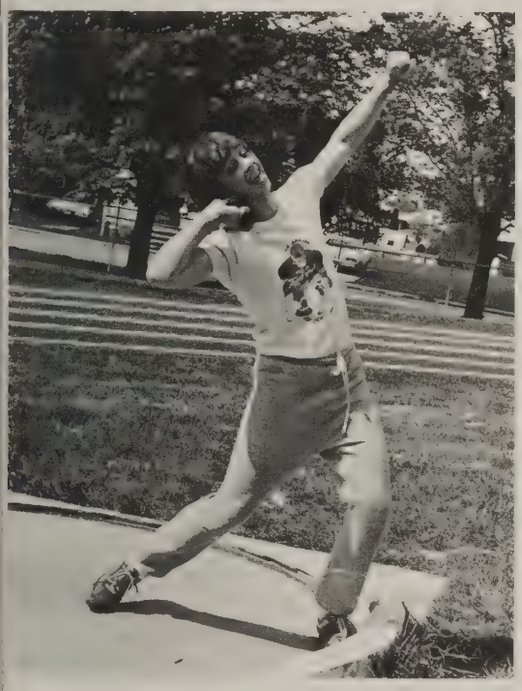

Freshman Track

The Freshman track team started the season strong by winning their first three meets and then falling to North Olmsted, who later won SWC. The frosh spikers finished 3rd in the SWC, only 2½ points behind Bay. In their last meet they got their revenge against Bay and beat them in a dual meet 76-33. In this meet Scott Muhleman recorded a first in the hurdles to end an undefeated season in hurdles.

Girls Track Sets Many Records

Many records were set this season in the fourth year of girls track at Medina. The talented girls made it another winning season as their dual meet record was 5-3. Led by mostly seniors, the girls finished fourth in the Southwestern Conference, fourth in the Westlake Relays, fifth in the Orrville Invitational, and seventh in the Mansfield Malabar Invitational. Qualifiers for the district meet were Lynn Jackson in the 880, Jan Hosick in the shot, and Lori Koenig in the shot and discus. Lynn Jackson set a school record in the districts with a time of 2:21, but she missed

qualifying for the state meet by one place. Lynn also set a record in the 440-yard dash with a time of 60.0 at the SWC meet. Lori Koenig set school records in the shot with a throw of 39'7" and in the discuss with a toss of 123 feet. Sherry Myers tied the record in the 80-yard low hurdles with a time of 11.4. The shotput Relay Record was broken by Lori Koenig, Diane McAlonan and Janice Hosick at Westlake relays. The 880 Medley Relay Record was set by Faith Campbell, Lori Welton, Linda Anderson and Cheryl Murphy and Lynn Jackson.

Varsity Track

Individual performance was the so-called motto of this year's varsity track team. Practice started in early March with only 37 members. Running took place in the Junior High gym while the weather was inclement and weeks later, the first indoor meets were run. Medina defeated Midpark in the first indoor meet and lost to Berea in the second. April 5 was the first outdoor meet at Buckeye where the snow and the Bucks outmanned the Bees. The fair-weather Bees won their first meet at Fairview in 75° sunshine. In the Berea Relays, Medina placed 10th out of 29 teams with outstanding performances in the Weightmen events.

Medina went on to the Copley Relays, Westlake Relays, and Nordonia Relays, where stiff competition got the team ready for the conference meet. In the Sectionals, Brett Chronister threw the shot 50'8" to qualify for Districts. Seniors Joe Dooley and Steve Fesko ran the 440 and 880 yard run respectively and won most of the meets. Dooley also pole vaulted 13 feet this season.

With only 12 seniors, 9 juniors, and 12 sophomores, the track team should grow and improve in the next few years. The sophomores have a fine group of sprinters that will improve with work! Hopefully, when they are seniors, Medina will have a new track!

Weather almost ruined this year's baseball season. Practice had to be held indoors until after the first game. The first scheduled game was snowed out, and many others were rained out. When the first game was finally played, Medina came out on top and was on top of the SWC after two games. The rest of the season did not go as well as the first games, but but the team put out 100% all season!

JV Baseball Has Winning Season

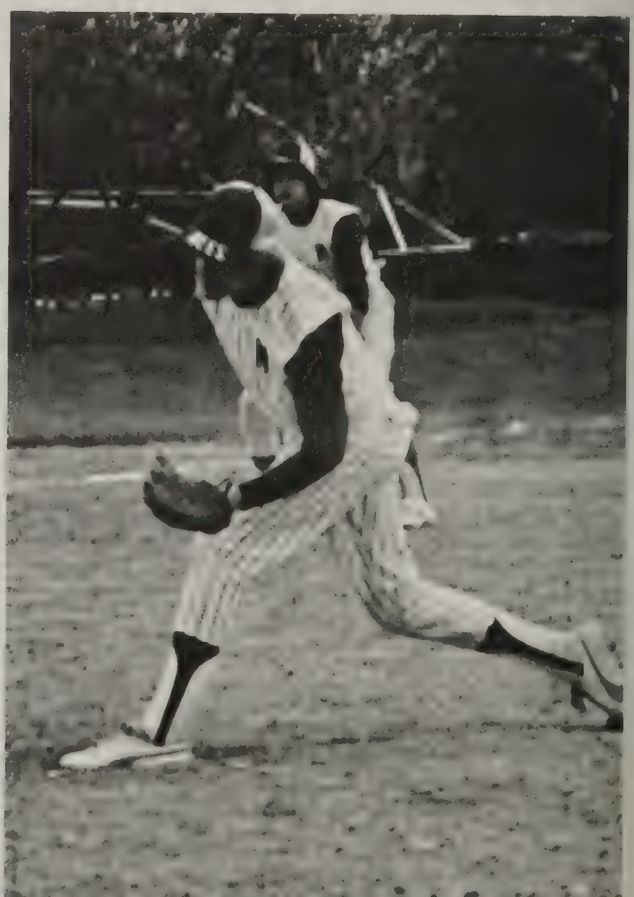

Last year's JV baseball team had a very good record. The team was second in the SWC. They lost the first game of the season, but finished strong. Near the end of the season, they won nine out of eleven games with two games left to play. At the beginning, they were 0-1, but came back to 1-1. Next, they lost two more to put them at 1-3. It seemed that the JV's weren't going to be very good. They got one more win to put them at 2-3, then one more loss for 2-4. Finally, they got some spark and finished up with a fairly good season.

Freshmen Show Promise For the Future

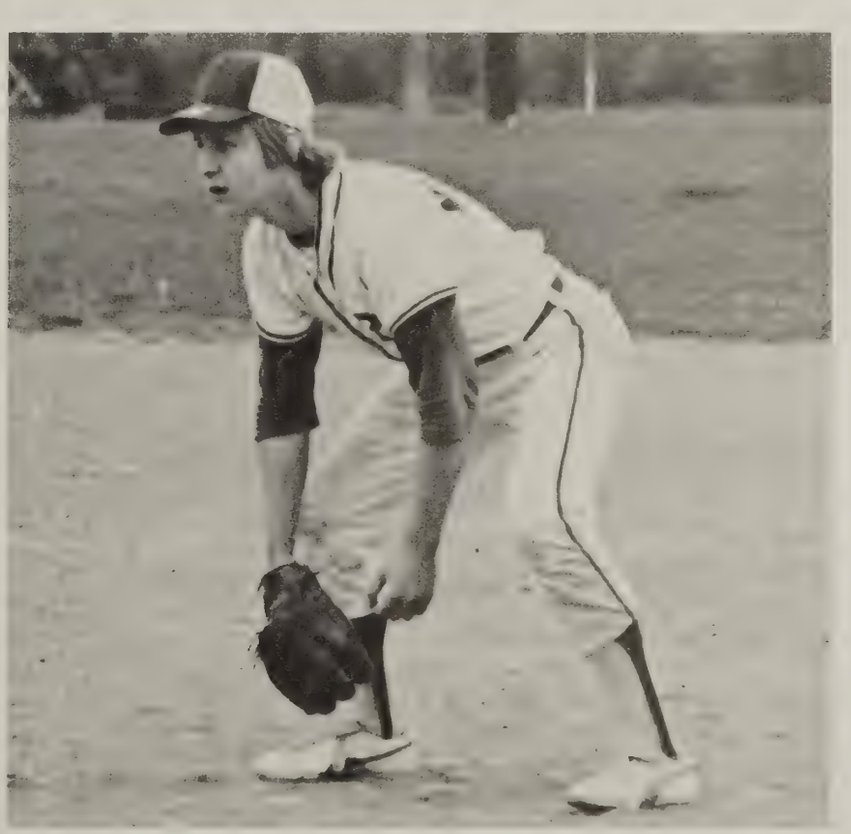

Last year's JV-B team was what you would call average. They had an average record with average to bad weather conditions. The team was coached by Mr. Interliggi and his assistant, a student teacher, Mr. Olsen. The team had talent, but so did the other teams. The team's best game of the season was against Northwestern. The team should make a good addition to the future JV team for next year.

Drum Major Jeff Jessie showed his school spirit by leading the band in many loud, exuberating cheers which spurred the team on to many exciting and close games. Cathy Easton led her spirited Majorettes at all of our football games and pep rallies. They performed graciously no matter what the weather. The girls always looked like they were warm and happy.

Drum Major and Majorettes

The Beeliners had plenty of pep this year. They showed us they were one of the best drill teams in Ohio. The team performed at many band shows. These included the Medina County Bandorama, the Tuslaw Band Show, and a Baldwin Wallace football game. Their performances at this year's many pep assemblies psyched everyone up for the games. Medina's Beeliners are a group of warm, energetic, and enthusiastic girls who performed at each and every game. Rain, sleet, wind, or snow, their never-ending smiles kept the spirit high in Medina.

Musical Bees March Over Medina

Medina's Musical Bees showed spirit all the way through the year. Their season started in early August with all-day practices. Even through the intense heat, they practiced to improve themselves. These practices proved to be a great help, as in the annual Green-White scrimmage, the Marching Bees were outstanding. As school started, the band was out on the field first period every morning and on Tuesday and Thursday evenings. The Marching Bees performed in the rain at halftime of a Baldwin-Wallace football game. The band added a new twist to their marching by doing some of the latest dances. The band also played at the All Nations Festival at Blossom Music Center. Besides all of these performances, the Musical Bees again played at all pep assemblies, football games, and marched in the uptown parades.

Concert Band

Concert Band is made up of students from the freshman, sophomore, junior, and senior classes. They meet every day second period and practice throughout the year. Concert Band participated in several concerts and went to the Band and Choir contest at the University of Akron in April. They expect to improve upon themselves and they might play in another band next year.

The Swing Choir is a group of 18 students singers selected from the Concert Choir. The Swing Choir sang for community and civic organizations, appeared at many of the high school concerts, and performed in the Vocal Festival and Showtime. They do not practice during regular school hours, but after school on Monday evenings from 6-8 p.m. They have a fine reputation and are a great asset to the music programs at Medina Senior High.

Varsity and Concert Choir

Concert Choir is building a fine reputation in music with Mr. Carey's outstanding ability to direct. They have performed in a November concert, a Christmas concert, a March concert, and the Vocal Festival. They also were involved in the District and State Choir contests, the musical "Carousel," and Showtime.

Activity Choir Provides Experience

The Activity Choir, which is made up of freshmen, held five concerts this year including: a November concert, a Christmas concert, a March concert, the Annual Vocal Festival, and Showtime. We feel that the audience enjoyed the efforts and hard work put forth by the Choir and the instructor, Mr. Carey.

This year's orchestra was extremely busy. They started out with a String Recruiting Program at each of the four elementary schools in October, a string orchestra concert in November, the string orchestra Christmas concert in December, the Annual Winter concert in March in which the full orchestra performed, two children's concerts in April in the High School auditorium, the Fine Arts Festival in May, and the High School Baccalaureate in June. Randy Ward, Barb Naragon, and Randy Hollopeter participated in the Northeast Ohio Regional Orchestra. Jody Slye, Randy Ward, and Susan Sanford went to Capitol University. Nine students went to Bowling Green to play with their orchestra. These people are as follows: Violins — David Locke, Jody Slye, Regina Rimsky, Curt Arnold; Violas — Randy Ward, Susan Sanford; Cellos — Leslie Sugden, Randy Hollopeter; Bass — Karl Herman.

S.P.I.C.E., a Special Program Involving Creative Entertainment, was held Sunday night, February 20. After many weeks of practice and much talk about the possibility of having to cancel it because of the weather, our fellow students finally got the opportunity to show us their creative talents. The program included both students and faculty members. Sherry Myers showed us that she is not only a star basketball player, but a star Somewhere Over the Rainbow. Who could forget Mr. Stratis and Mr. Cooksey in the backseat kissing and huggin with Fred?

Remember Pam Bryenton, Kay Burch, Yoanne Ferguson, Ann

Mellert, and Karen Wilder? Boy, do they know how to Turke-e-e Trot! Then there were the "Pistol Packin' Mamas." Don't worry, Mrs. Anderson and Mrs. Heiges, we won't tell anyone it was you.

Some of the more impressive performances included Connie Jones, Desiree Kulchar, and Judy Dunn playing the guitar and singing their songs. Sean Krosse and Jovanna Cummings sang "A Song for a Friend," which was written and composed by Sean. Dave Johnston, Sean Krosse, Robert Kuehn, and Bob McDade did the "Jam" which was also a big success.

Medina High students and their parents made the production "Carousel" a big success. The dedicated cast played to a full house on April 14, 15, and 16 in the auditorium. Mr. Carey and Mrs. Burke directed the play and opened each performance with stirring renditions from Rodger and Hammerstein's musical "Carousel."

The story opens in a New England coast town where Mrs. Mullin runs her carousel with the help of her playboy barker, Billy Bigelow. The jealous Mrs. Mullin fires Billy because it is here that he meets Julie Jordan, a mill worker to whom he finds himself attracted.

Billy and Julie's marriage starts Carrie, Julie's friend, thinking more seriously of her wonderful Mr. Snow.

Because Billy can't find work, he and Julie move in with Nettie Fowler. After finding out that Julie is going to have a baby, Billy and Jigger Craigin, his friend from the waterfront, scheme to rob David Bascombe, the owner of the sewing mill. They decide to pull the job after the clambake while they were supposed to be hunting for treasures which were hidden each year for festivities.

At the close of the clambake, Jigger and Billy leave Julie to await the arrival of Mr. Bascombe.

Scheming to rob Mr. Bascombe, Billy planned on tricking Bascombe by asking him for the time while Jigger would stab Mr. Bascombe and they both would grab the money

and run. But their plan had many unexpected loopholes. For one, they hadn't planned on Mr. Bascomb carrying a gun, which was a first. When Jigger attacked Bascombe, he pulled a gun, and Jigger took off. Billy couldn't face Julie or a jail sentence, so he stabbed himself. Just before he died, Julie arrived and tried to comfort him.

Billy awakens on the threshold of Heaven. The Heavenly Friend explains to Billy that he isn't good enough to enter Heaven yet, but can prove himself by going down to Earth for one day and doing a good deed.

Fifteen minutes in Heaven meant fifteen years on Earth. Julie had already had a baby girl, who is now facing graduation. Louise is a lonely girl, persecuted by her friends because of her "bad" father.

As Billy sees Louise's suffering, he decides to visit Earth.

He took a star from the entrance of the golden gate as a gift.

Billy, being a hard-headed stubborn man, never mentioned to Julie that he loved her, but she could sense that he really did.

They could only see him when he wanted them to. Julie found the star and knew he had been there to comfort Louise and talk to her.

As the graduation took place, Louise was sullen. The speaker, Dr. Seldon, told them all to lead their own lives and not depend on the success of their parents.

Billy showed for the graduation and went to Louise and told her that this was true, and she was happier. Then, he went over to Julie and told her he loved her, and she was happier, too.

And as the entire cast finished the production of "Carousel" by singing "You'll Never Walk Alone," the curtain fell.

Showtime '77 is one of the most-remembered productions of the year. With approximately 300 students from Activity Choir, Varsity Choir, Concert Choir, Swing Choir, and Stardusters on stage, and the seats in the auditorium filled, it turned out to be an enjoyable event for everyone who attended. The theme was "A Tapestry of Modern Music." The special acts varied from the very serious, such as "Send in the Clowns," sung by Karen Isenhart, to the act that got everyone laughing, "Gossip." In the middle of the show, a

quiet and seriousness took over the audience as the Swing Choir sang "Abraham, Martin and John" while slides were being shown of these people who did so much for our country: Abraham Lincoln, Martin Luther King and John F. Kennedy. The seriousness subsided, however, as Dot Klopp swung into "Bandstand Boogie." The closing was a hit feature of Showtime '77 because the entire company performed "I Write the Songs."

CLUBS

Medinian

The *Medinian* members put a lot of time and effort into making this yearbook the best that Medina has ever had. They had to keep their sanity through many complications and total confusion. The time and effort to start the book off right wasn't enough; they had to keep it going through the whole year. Making layouts, writing copy, and taking pictures were just a few of the things they did. In July, four staff members went to Gettysburg to layout and design the book. In August, the staff gathered to sell ads and get their sections assigned before September. After all the pros and cons were weighed, we decided that it was all worth the time and effort to see the result of the best production of a yearbook.

Medinamite

The *Medinamite* had a successful paper delivery to the student body and faculty. They informed the students of what was going on with their classmates, teachers, and administration. The *Medinamite* class and advisor let their talents burst out 5th period of every day. The energy crisis never stopped these loyal and devoted young people. They made sure the paper came through. The *Medinamite* is an important part of our school activity schedule. It has humor, seriousness, cartoons, and assorted types of articles and pictures. The *Medinamite* is a lab class with text books to study different kinds of writing. They also receive school papers from various schools throughout Ohio.

Art Club
Media Center Aides

Art Club members used their talents in many different ways. They made holiday decorations for the halls and art rooms. The club also made scenery for the play and musical. Under the aid of Miss Sullivan and Mr. Libengood, the Art Club showed their artistic ability to people all over Medina.

Upper right: Row 1: J. Wagner, M. Miller, S. Thornburg, Y. Ferguson – Vice President, J. Shy – Secretary/Treasurer, A. Lynch, Miss M. Sullivan, Co-Advisor. *Row 2:* D. Been, S. Taugher, S. Foster, D. Key Club

This year, Key Club was made up of 70 male members who were under the supervision of Mr. Terry Shuman. These men were eager to make Medina High School popular for the best Key Club in the State. They started off every Wednesday in the lecture hall at 6:45 a.m. and usually finished at 7:25 a.m. Here are some of the items on their busy schedule:

1. Key Club members and Parent Orientation Night held in the High School auditorium in October.
2. Key Club International Week, November 15 through 19.
3. Third Annual Sweethearts Dance held in February in the Medina High School cafeteria, when they crowned the Queen and her court. The queen this year was Lori Koenig, and her court attendants were: Senior attendant – Cheryl Koerber, Junior attendant – Kim Imig, Sophomore attendant – Laura Finley.
4. Seventh Annual Key Club Easter Egg Hunt on April 10 at the Senior High School tennis courts.
5. And last, but not least of their big events, the Key Club recycling center program, held the first Saturday of every month on the corner of West Smith Road and Lake Road.

They held many other events, but these are the five main ones of importance that required a lot of attention. The officers were President – John Flanders (Senior); Vice-President – Pat Dick (Junior); Secretary – Dan LaBadie (Senior): Treasurer – Richard Luebke (Senior); Senior Board Representative – Brian Feron; Junior Board Representative – Pete Frazier; Sophomore Board Representative – Jim Fritz; Governor of Division *16 E* and *W* – Scott Stremple. All of these Seniors, Juniors, and Sophomores have made Medina proud to have such a club.

Foreign Language Club
Science Club

The Foreign Language Club did several things throughout the year. They started the year with a successful Octoberfest, which was held on November 1. In the middle of December, they went caroling. In late February, they held an enjoyable Mardi Gras. The club went to a fancy foreign restaurant in April. And then another memorable year ended with a banquet in May.

Mr. Shuman, Advisor, with Mark Seeger as President and Barb Naragon as Secretary-Treasurer, helped the Science Club have one of their best years. They have had field trips to many interesting places such as NASA. Science Club consists of approximately 80 members and they meet in the science lab whenever a meeting is necessary.

Caring was the main motivation that kept this club in action. The Youth Association for Retarded Citizens had a large membership, but only had about 20 active members. The Association had a Halloween party, two dances, a spaghetti dinner, an Easter egg hunt, and a bike hike that raised close to a thousand dollars. Mrs. Virginia Harris was the advisor from the Achievement Center, who attended the meetings every other Wednesday. Officers for the 1976-77 year were President – Lisa Bednar, Vice President – Francis Mollica, Secretary – Lynn Palamountain, Treasurer – Paul Wood. The club also sold carnations at Thanksgiving and held several bake sales.

O.W.A.
O.W.E.

Much like O.W.E., O.W.A. helps students adjust to outside life. They had a few bake sales to raise money for the O.W.A. parent-employer picnic. Then at the end of the year, they had an O.W.A. Student Award Presentation through the State Department.

Occupational Work Experience gives students a chance to get out and see what life is like and to get a job. They had an O.W.E. bowling tournament, where everyone had a good time. Then everyone got busy and worked on the Christmas card project. For the Christmas spirit, they helped a family have a better and happier Christmas. In the spring, they got all their employers together for the Employee cookout.

O.W.E. II
Work Study

To get into O.W.E. II, one has to have his application entered in the spring. The students attended eight summer sessions for one-half summer school credit. All the jobs were approved by Mr. Myers. The students worked a minimum of fifteen hours a week. Throughout the year, they had a Medina Bowling Tournament. Other events which took place were various field trips and guest speakers for different meetings. At the end of the year, they had a banquet for the employees.

Ski Club

Ski Club consisted of many students who were interested in hitting the white slopes. Three different groups were formed with one meeting a week, either Monday afternoons or Monday evenings at Brandywine, or Wednesday evening at Boston Mills. This made it easier for more people to join. Over 275 people were in Ski Club, making it one of the largest in Ohio. Mr. O'Connor has been the advisor for five years. He has put a lot of time in preparing everything for the ski trip on which approximately 50 members went on.

Student Council

This year's Student Council committee made its best effort to make this year a memorable one. They have had a hand in a lot of the main events. Some of them were Homecoming, the Mock convention, Teachers Appreciation Week, the donkey basketball game and they sponsored many dances. They concern themselves with conferences on the absenteeism. Their contribution to the orientation for the new students was greatly accepted. For the great work that has been done, the credit goes to the Student Council. The Advisor, Miss Cowden; President, Val Doerner, Vice President, Lisa Polo; and Treasurer, Ron Bunch.

War! Grand Fenwick, the microscopic little "mouse" of a country declares war on the United States.

Queen Gloriana the XII was desperate in her hopes of saving the expeditionary forces led by Tully Bascom to the U.S.

Tully is sent to New York in broad daylight, wearing full battle dress and attacking with bows and arrows. Tully succeeds in capturing General Snippet, his daughters, Professor Kokintz, and the dangerous Q Bomb.

Upon his return, Tully and his prisoners are presented to Queen Gloriana, who explains that Tully wasn't supposed to win, but to lose. Grand Fenwick could then receive war reparations and be saved from bankruptcy!

The President of the U.S. sends the Secretary of State, Chester Brown, to negotiate affairs with Gloriana, but she demands 1 million dollars and an annual tribute of 12 dozen pomegranate then that he cannot alter the function of the Q Bomb; thus, it makes Grand Fenwick the most powerful country in the world! G.A.A. and G.L.C.

The Girls Athletic Association kept very active this year. They have had at least one meeting per month in the lecture hall. They planned several activities which included going roller skating and canoeing. They had a very humorous initiation by having the new members of the club walk around in unusual costumes just for one day out of the school year.

This year, the Girls Leaders Club sponsored a girl in Taiwan named Tsai-Huel Chu. Twenty dollars a month was sent to her for her expenses like clothing, education, and food. GLC sold spirit ribbons and ticket to all sports events. For their community service, they went on a goodwill drive and made a club effort on the March of Dimes Walk-a-thon, and helping Key Club with various projects. GLC had time to go canoeing with Key Club, visited Jaycee's Haunted House, had

Pep Club

pot luck dinners, and exchanged secret pal gifts on holidays. They sponsored basketball brothers, also. The Girls Leaders Club kept very busy this year, and thanks to their contribution, the year was a success.

Pep Club, one of the largest organizations at MHS this year, pursued the art of spirit-making through the hall, gym, and locker decorations for the athletes and cheering extra loud at games and pep assemblies. Almost every Thursday and Friday, you would see a lot of intelligent Pep Club members racking their brains out for some cute, witty slogan to try and boost the team to victory. A special thanks to Jill Bryson, Kim Matis, and Marla Fortney for the terrific spirit poem on the football page.

Soccer Club is a group of students who enjoy soccer and play for fun. Girls and boys play, and it is not an easy game. The club plays in front of the school and they soon hope to have a scholastic soccer team to play against other schools.

A.F.S. is a small group of students who help out with the county division to host the foreign exchange students. The student that was hosted last year was Mario Vachetta. For their money-raising projects, they held a fish bowl, which the Seniors won, a few bake sales, and bought a movie for the school, *Little Big Man*. They had several parties, a Thanksgiving dinner, and an end-of-the-year dinner. During the summer, Helen Volodkevich and Julie Shy will be sent to foreign countries by A.F.S.

National Honor Society

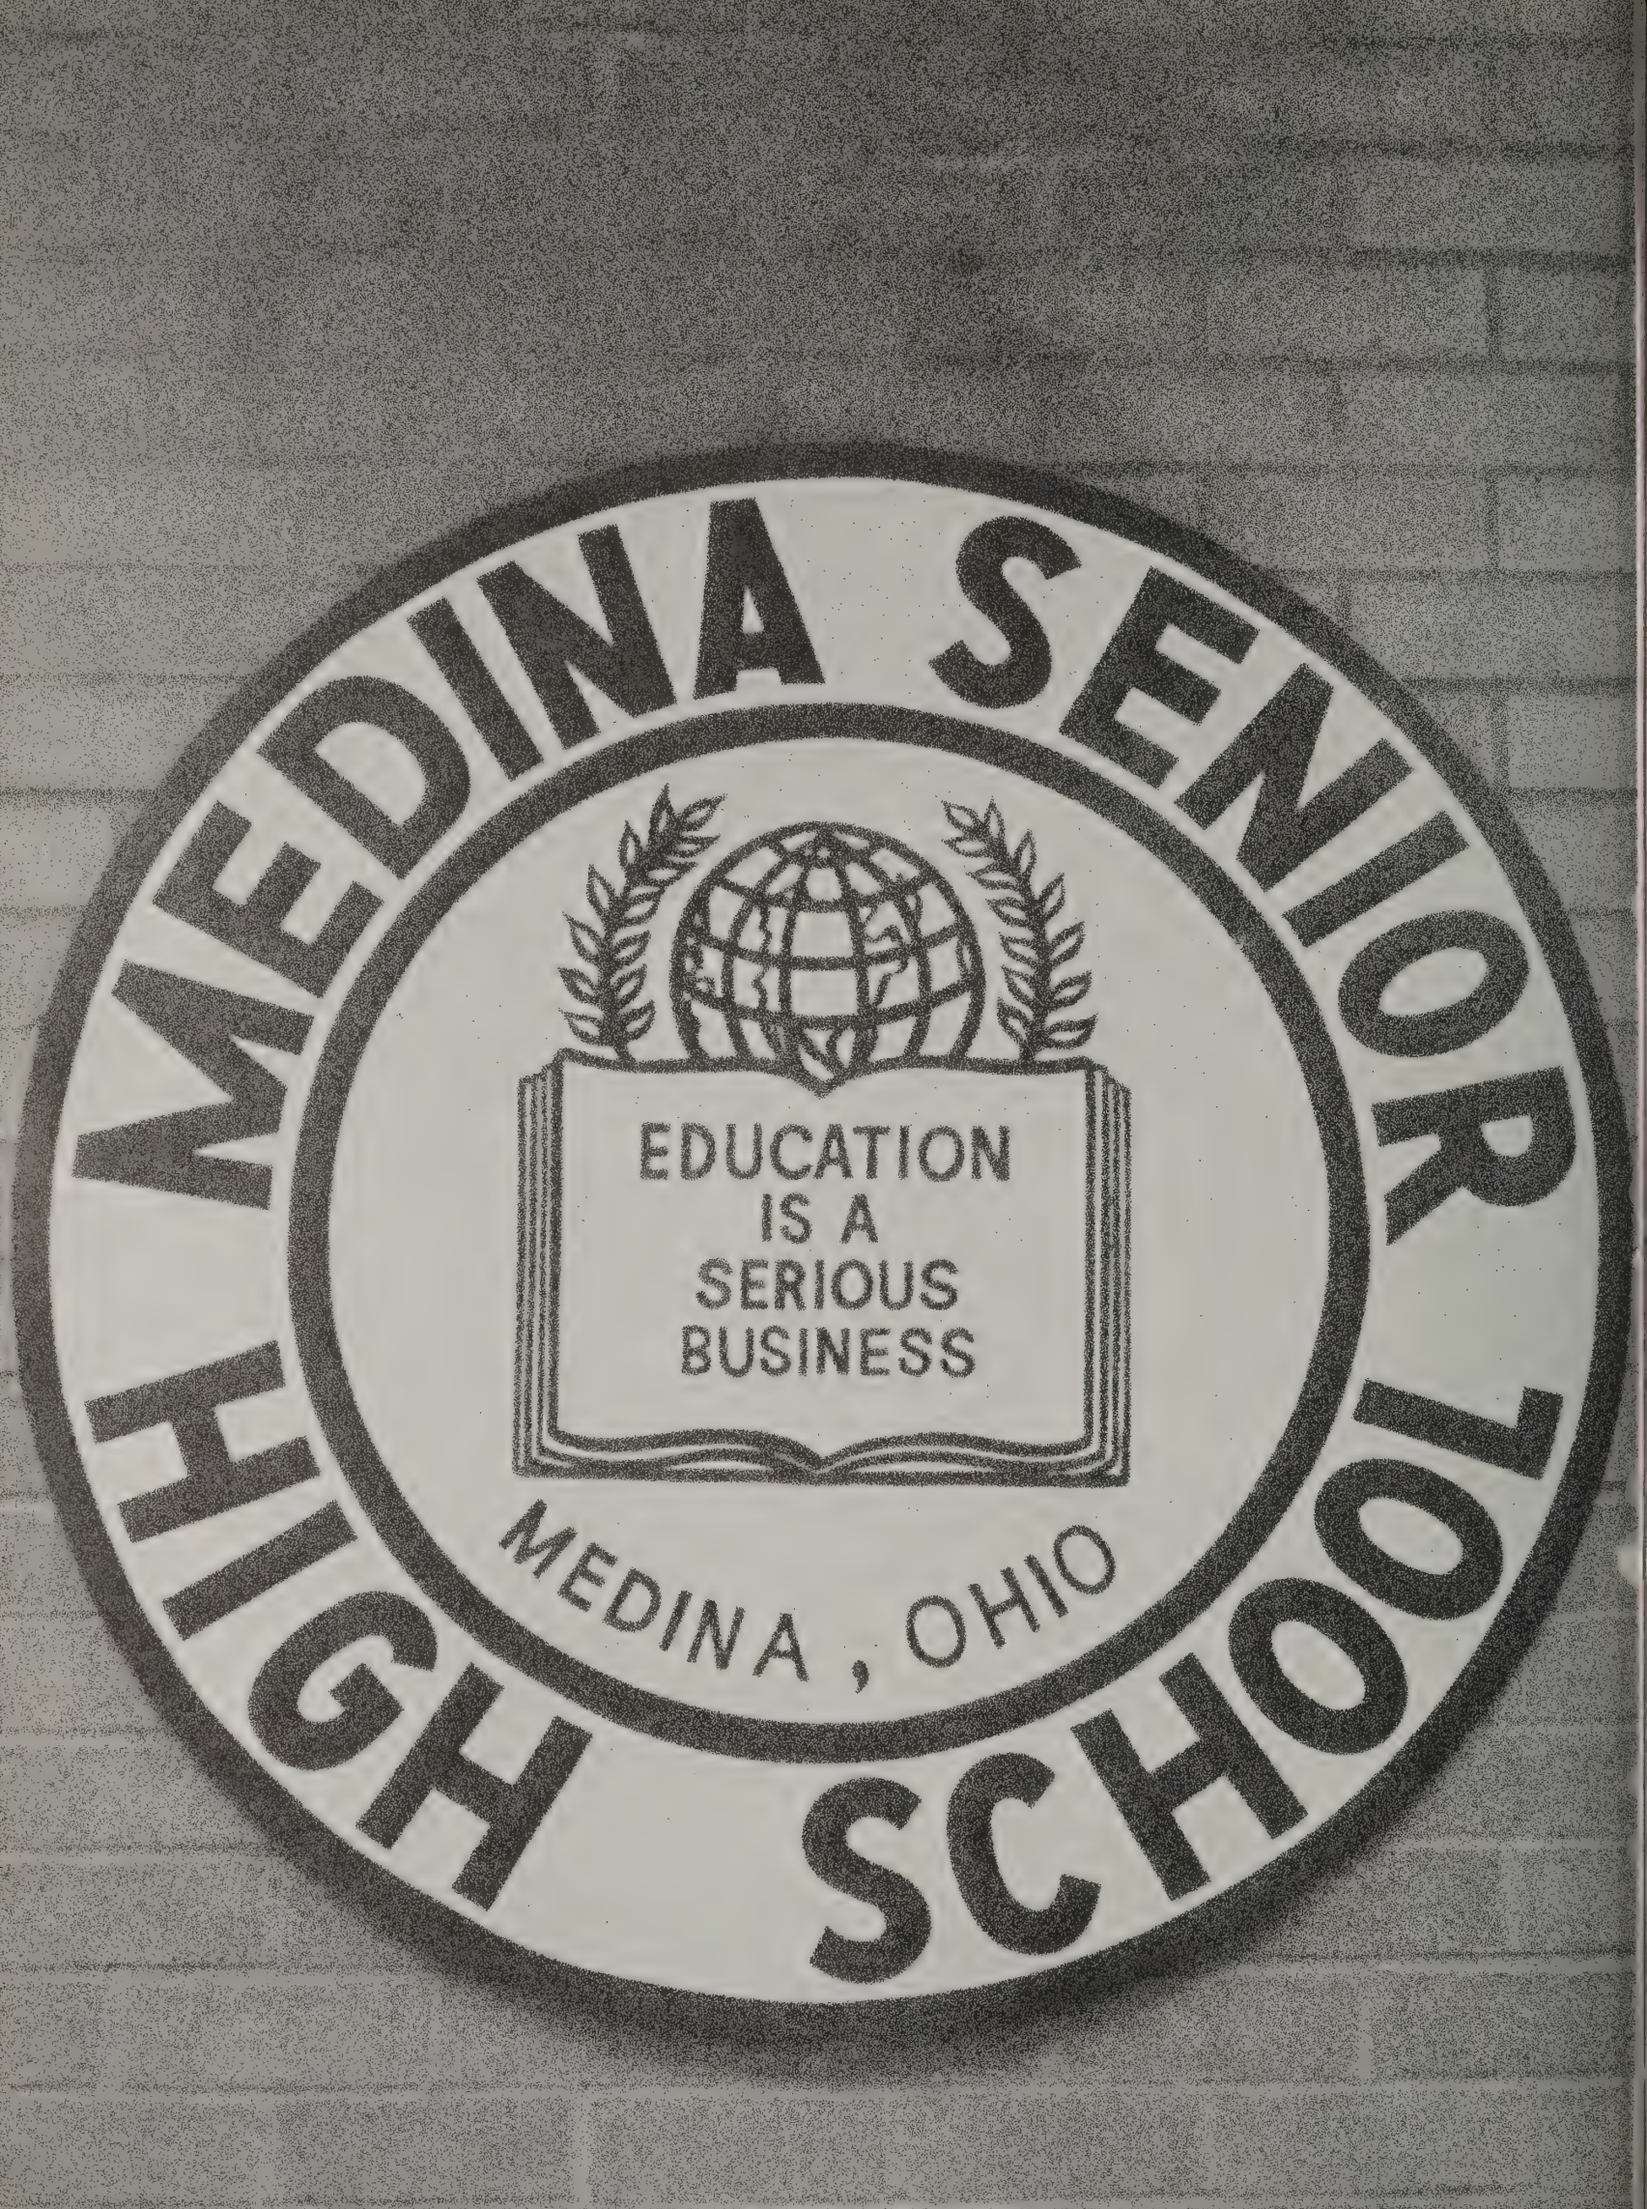

National Honor Society is made up of 50 students who rank in the top of their graduating class. They have shown outstanding efforts in many subject areas. Most of these students were participating in A.P. classes and honor classes. Mrs. Demuth was the advisor for this club. Congratulations to these students this year and in the years to come!

Spirit is invigorating,
Competitive,
And channelled,

Yet Spirit is creative,
Constructive,
And continuous.

The Basketball Intramural team, composed of four members, played at the first three-man Christmas tournament this year. Medina's team lost only one out of 18 games, proving we've got spirit!

The school intramural basketball champs record this season was 13-0, setting a new undefeated intramural record for Medina. The Kassel Keepers, aptly named after Captain Curt Kassel, were chosen in the free agent draft, which precedes each intramural season. The season was led by juniors Joe Bilinovich and Jay Dunn in their sweep past all 13 opponents. Scott Varney saved the unblemished record by sending the championship game into overtime with a last second shot at the end of the game.

mothballs," Cowger said.

Cowger said the district actually has enough gas allocated to it to keep operations running until Feb. 15, but "We've got to have enough gas to keep our buildings from being destroyed by freezing."

He said there is a threat that the district's buildings will suffer major damage if there is no gas. He said many of the buildings' water lines are buried in cement, increasing the danger of bursting damage.

"I'm worried mostly about the middle school because that can suffer all kinds of damage," Cowger said.

HE SAID efforts have been made to convert that structure from natural gas to fuel oil.

Cowger said he was unable to speculate how long a shutdown would be. "At first I thought we'd be shut down 30 days. Now, it may be until April. Nobody really knows.

— operating with split sessions;

— closing and developing an

members favored staying open, but will decide later today.

"All County schools are in the same boat," Weber said. "I have not been notified to close. Staying open is a gamble, but we hope gas will be released. Cloverleaf has been cut back to 15 percent of its allocation and we can't stay open on that, but we could manage on 50 percent."

In Medina Schools, meanwhile, the Board of Education will keep classroom doors open until Columbia Gas of Ohio or the State Department of Education rules otherwise, according to Supt. John Kaczenski.

Spring Fever

Upper left: The springtime air is so fresh and clean! *Lower left:* Behind every good man there stands a woman. *Upper middle:* You had better get out of the sun, Andy, you're getting a burn. *Middle:* Fantastic weather made track conditions the best in the world. *Lower middle:* The girls track team at its best. (Notice that Faith's shoes have done more running). *Far right:* I'm not playing til I get my shoes back.

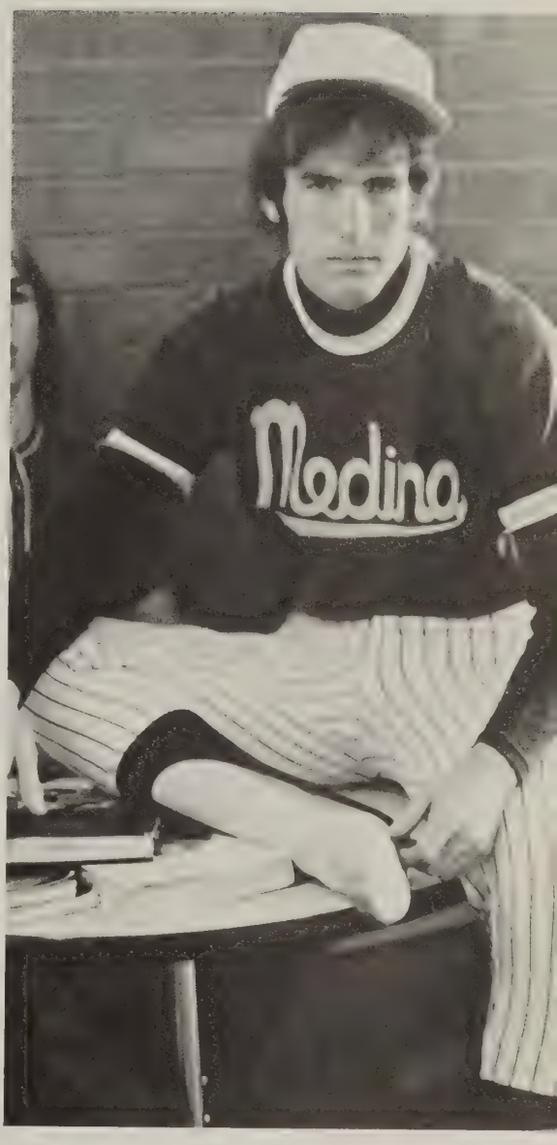

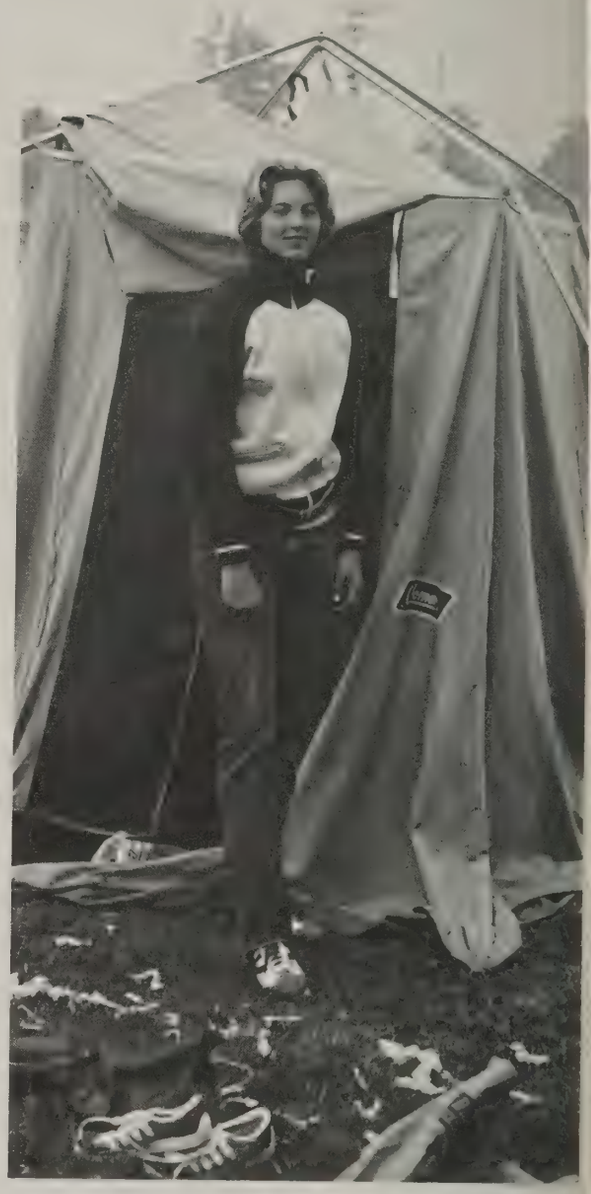

Medina

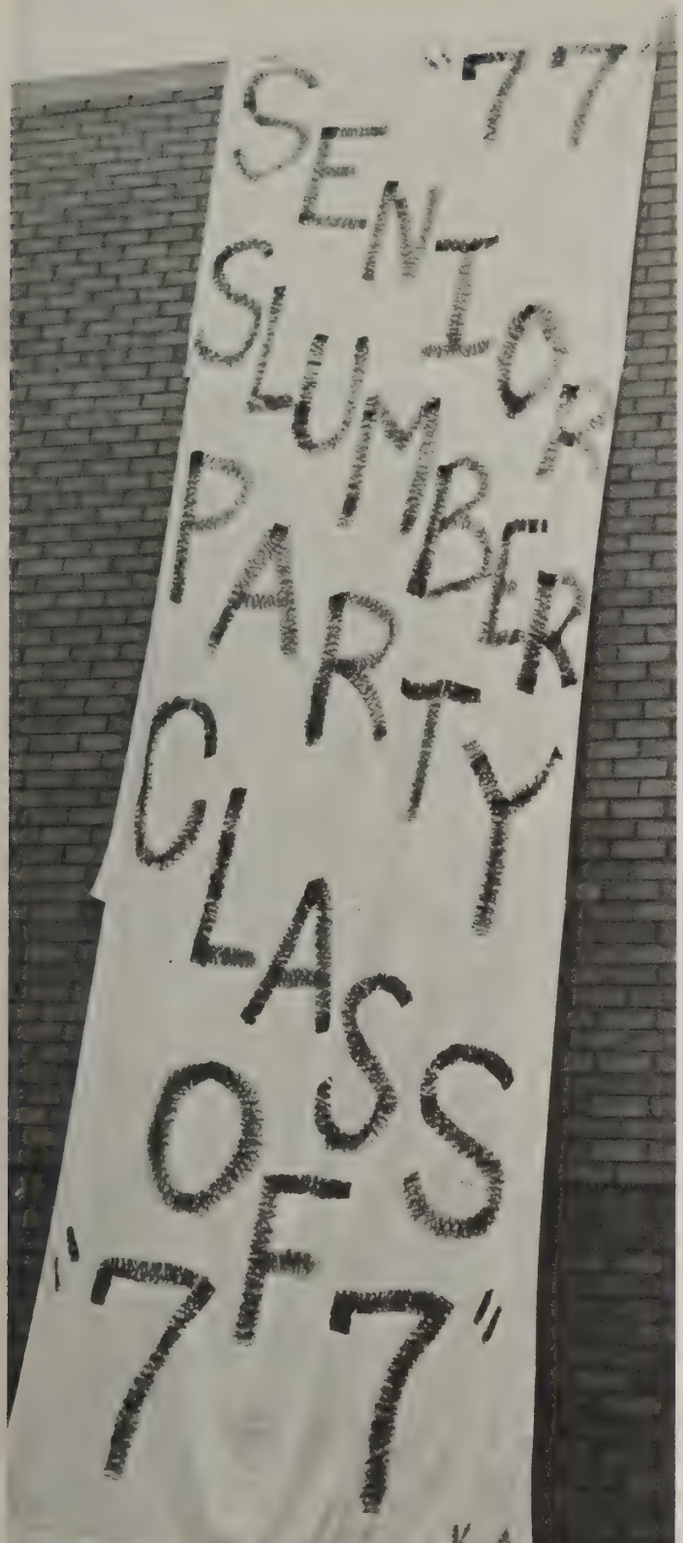

Senior Prank

Upper left: Hey, I forgot to tell you guys that my mom wants all this stuff back! *Lower left:* The morning after the night before. *Upper right:* Sittin' on the corner, watchin' all the girls go by. *Lower right:* Good morning, Mr. Sunshine — the Plain Dealer's in your yard! *Next page: Upper right:* I can use this one on my car! *Lower right:* Now now, Bud, I have a headache!

Every year the Seniors have had the privilege of toilet papering the yard, soaping windows and making life hard for the underclassmen. This year, they did all of this and more. One of their stunts was to sleep outside in tents, which many did. They hung signs over the wall and put the winning teddy bear from the Senior float on top of the building. They barricaded the main entrance to the school and inside, they filled the commons with hay. The faculty room and Mrs. Parman's office had been filled with paper! Mrs. Parman was so pleased with her newly-decorated office, that she wrote thank you notes on her paper! Underclassmen spent the day cleaning the building, while Seniors went home to take showers and catch 40 winks after their night of pranks!

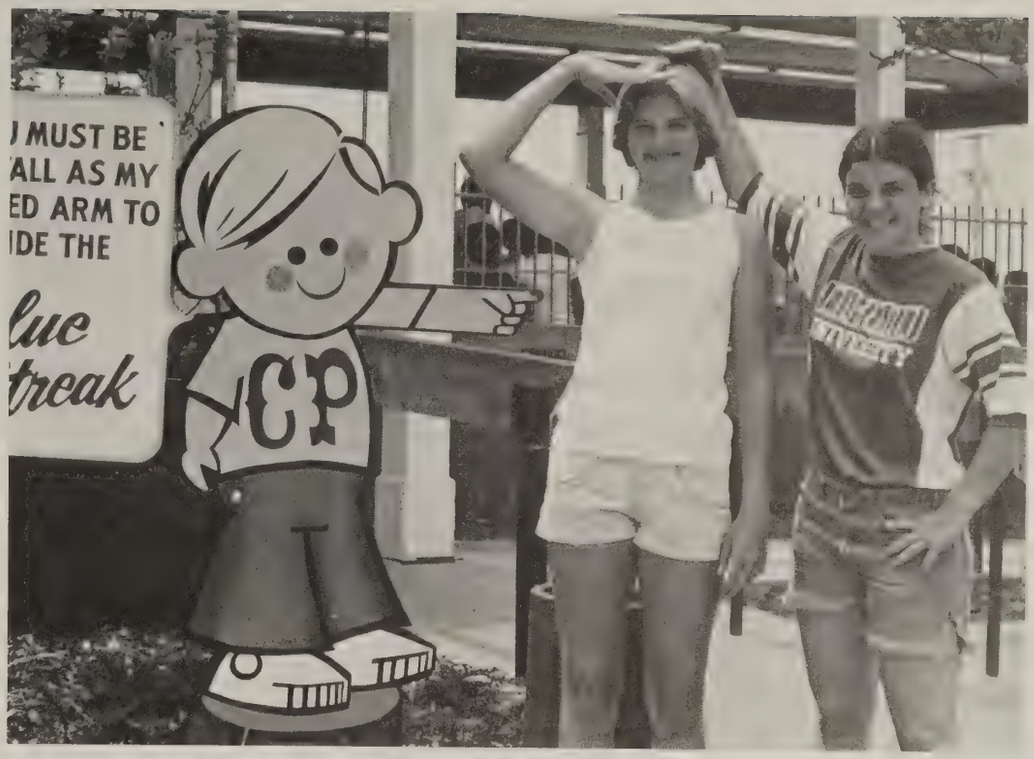

Cedar Point Jumps with Seniors

Upper left: Janice looks like she's got THIS animal trained. *Upper middle:* Eenie, Meenie, Minie and Moe. *Lower left:* Lynn and Beth have finally caught that elusive Frank Malone! (or is he? . . .) *Lower right:* Sherry loves riding wild rides almost as much as she enjoys basketball. *Next page: Upper left:* Ride'm cowgirl' *Upper right:* Lori just passed the test that every person under 4' sweats! Now she can hold Lisa's hand on the Blue Streak! *Lower left:* Double trouble. *Lower right:* Goofy seniors take a parting shot!

Tuesday, May 31, Cedar Point was bombarded with approximately 240 seniors who spirited away the day till about 9 that night. One bus left the high school that morning; the rest of the class took advantage of their freedom and drove up to Sandusky to spend the day at their parents' cottages by the lake, or in their boats. Mr. George, Mr. Peters, Mrs. Parman and Mrs. Zeff accompanied the group for one of the most fun days all of the

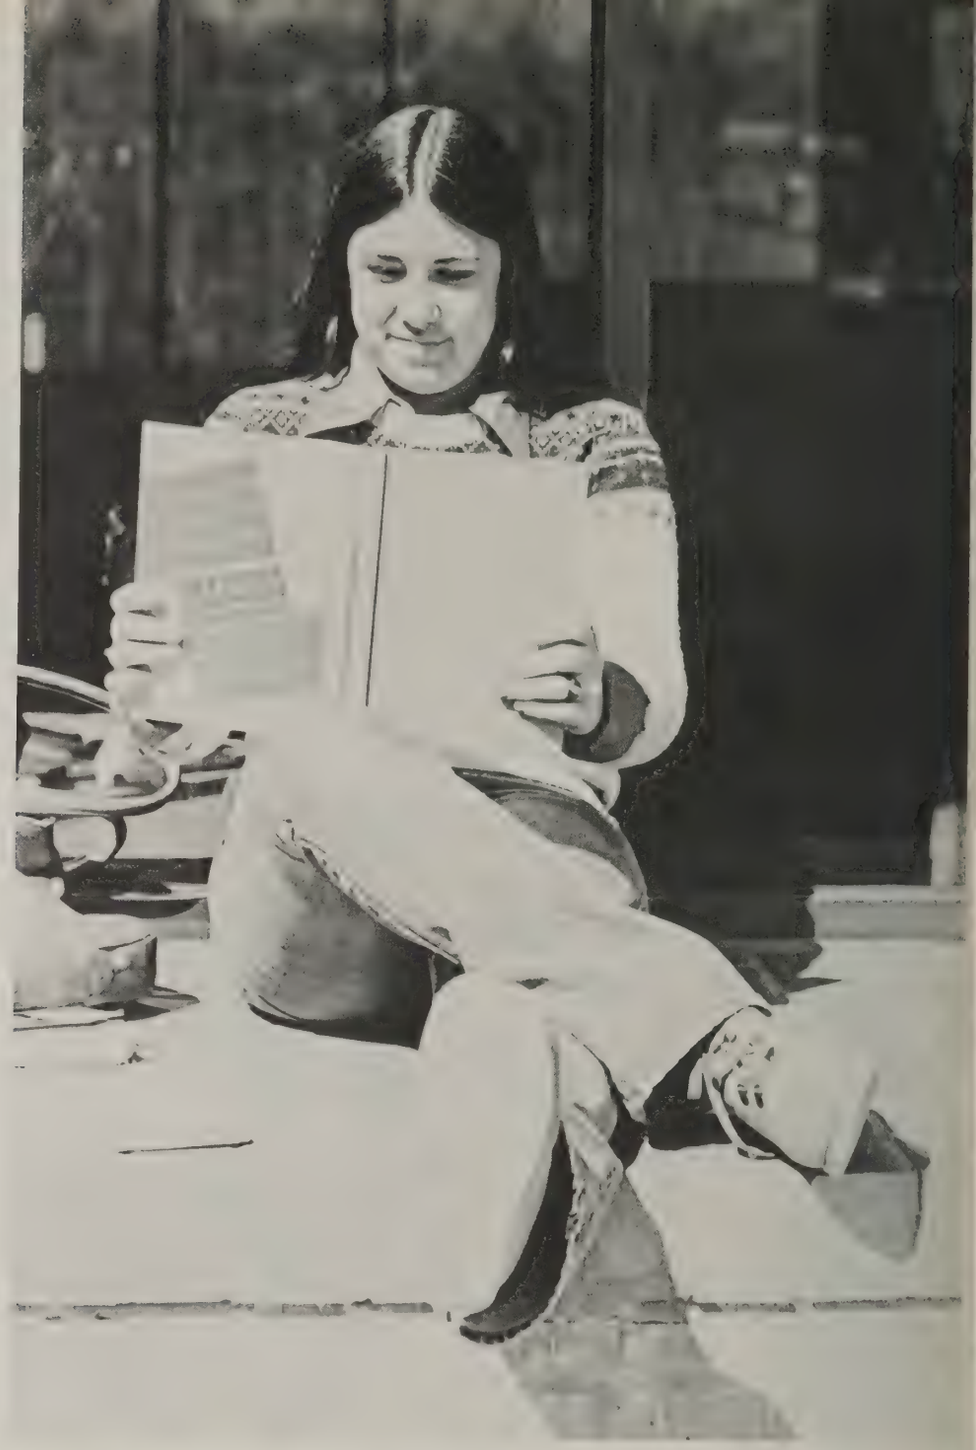

seniors have had since their prank. The weather cooperated and the day was sun-filled until some late afternoon showers drove seniors into the nearest hotdog stands. Mrs. Parman, a big chicken, had to be prompted to go on the more wild rides – the Corkscrew being one. But after her first ride, she was a seasoned Cedar Pointer, and enjoyed the rest of the day with the best of them!

Spring Fever

Upper left: I like Econ better upside down. *Lower left:* Smile, Lynn, only ten more minutes until lunch. *Upper middle:* The three stooges look like they're enjoying the track meet. *Lower middle:* The ghosts of rained-out track meets. *Upper right:* A fad of 1977. *Lower right:* Why, it's Cathy-Fawcett-Majors!

Spirit was the theme of the yearbook and though Medina only had one fantastic team, true spirit and dedication always came through as members of the student body, faculty, and community supported all of the events at the school. Some events attracted more than others but there was always at least one faithful Medinian in the stands. Thanks Mom!

Now for all the thanks. I'd personally like to thank and congratulate Miss Dianne Taylor for putting up with my sarcasm for the last two years. We were both new at the yearbook business two years ago and now, along with our fine (great) staff, we have put together the best *Medinian* ever. Lynn Palamountain moved to Medina in May 1976. She thought she knew everything about how to put a yearbook together: she did. I learned just about everything from her. Janice Hosick. What can I say? She's a very comical photographer who knows her business. If you hadn't noticed, all the pictures have captions: the good clear pictures with the good captions are works of hers. Thanks Jan! Our other photographers are very good, but Jan is a Senior. Sorry Jane. Thanks for all the pictures. I would like to thank all of my friends for just being what they are. Special thanks go to the Karabinds, Abell's, Gardner's, Brian, Leroy, Annie, Rubee, Dad and most of all, I would like to thank the most beautiful woman in the world, Mom. I think you're the greatest!
